VLASSIFICATION

- 25X1 l. As a result of a series of conferences held at the Ministry of Transport in Prague during the week 8-14 October 1951, a recommendation was made that the present Ministry of Transport be replaced by two new Ministries: Ministry of Land Transport, and Ministry of Water Transport. Kohout, the present general manager of the Czechoslovak Elbe Navigation Company (CSPL), has been recommended for the post of Minister of Water Transport. To save administrative man-power, the Czechoslovak Oder Navigation Co. (CSPO) will be incorporated into the Czechoslovak Elbe Navigation Co in the future.
  - 2. In the future the Czech Shipping Company Ltd., Hamburg, will not be concerned with goods moved by water to Czechoslovakia, but only with those travelling overland. All goods transported by water from Hamburg will be the exclusive responsibility of the Czechoslovak Elbe Navigation Company.
